PERSONAL INFORMATION

Year of birth: **1994**
Languages: **Portuguese** (native), **English** (advanced)

EXPERIENCE

Mobile Developer at BLACKPIN (GERMANY).   **2022.07 – 2024.11.**
Worked on a project designed to offer a highly secure, reliant and private instant messaging service for clients. With BlackPin, companies establish a communication hub to have their associates interact securely. All data is encrypted on-device using state-of-the-art encryption in line with the Matrix Messaging Protocol specification.
Keywords: `Flutter, Matrix, Firebase, Riverpod, REST`

Mobile Developer at COLETIV (PORTO - PORTUGAL).   **2021.05 – 2022.07**
Developed a wide range of apps for Android and iOS. At Coletiv, I had the opportunity to work on high-quality app architecture designs for demanding applications, powered by Flutter.
Keywords: `Flutter, Firebase, GitHub Actions, Riverpod, GraphQL`

Web Developer - FREELANCING.   **2020 – 2021**
During the COVID-19 pandemic, I did freelance work for a few months, primarily creating landing pages using Next.js and deploying them on Vercel.
Keywords: `Typescript, Vercel, Next.js`

Mobile Developer at GIGWHO (PORTO - PORTUGAL)   **2019 – 2020**
An effort to build an app for the Gig Economy. The GigWho mobile app focused on simplifying the communication between platform workers and their clients by streamlining interactions without having to call or send text messages back-and-forth. Key features included social media integration, in-app store promotion for workers, location-based content suggestions and scheduling.
Keywords: `Flutter, Firebase, GitHub Actions, Riverpod, GraphQL`

Full-Stack Developer at NAU21 (PORTO - PORTUGAL)   **2018 – 2019**
During my tenure at Nau21, I began my full-stack journey in web and mobile development, utilizing the Microsoft .NET Core framework with Angular and Ionic powering the web and mobile clients.
Keywords: `Ionic, Angular, .NET Core, SQL Server, Azure, OData`

EDUCATION

MASTERS IN COMPUTER GRAPHICS at ISEP (*Instituto Superior de Engenharia do Porto*).   **2020**
